

# MAEOE

## Maryland Association for Environmental & Outdoor Education

Click on the links below to register for an Info Session, Portal Training, or Office Hours. We look forward to seeing you virtually at one or more of these sessions! If you have questions, email [applications@maeoe.org](mailto:applications@maeoe.org).

Recordings of the Green School and Green Center Info Sessions and the Portal training will be available on the MAEOE website.

Session Name/Dates/Times	Description	Recording
<b>Green School Info Session Recording</b>	During this one-hour session, we will review the Green Schools Application process and requirements. It is intended for Green Leaders supporting schools and educators/administrators who want to learn more about the process and/or planning to submit a Green School application in March 2024 or in the next couple of years.	<a href="#">Download here</a>
<b>Online Portal Training Recording</b>	This one-hour session is a training focused on how to use the online application portal. This training will not cover application requirements. It is intended for educators/administrators planning to submit an application in March 2024 or in the next couple of years. Green Leaders and Green Centers supporting schools with the application process can also attend this training.	<a href="#">Download Here</a>
<b>Green Center Info Session Recording.</b>	During this one-hour session, we will review the Green Center Application process and requirements. It is	<a href="#">Download Here</a>

	intended for environmental/nature organizations submitting a Green Center application in March 2024 or in the next couple of years.
