

Services & Amenities Overview

Working or relaxing is a breeze at Sheraton Baltimore North Hotel. You can always expect great perks and amenities with us. What could be more satisfying than getting online quickly and easily with complimentary wireless High Speed Internet Access in the lobby of our Towson hotel? Or perhaps you would like a refreshing dip in our beautiful indoor heated pool. And we all know that staying fit while traveling can be challenging, so you will appreciate our complimentary Sheraton Fitness.

Of course, if you are here on business, you do not want anything to slow you down. Computer workstations, located in the lobby, make it easy to stay productive while traveling.
